REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Claims 1-7 and 9-17 are allowed over the prior art of record. Prior art fails to teach opposing catches disposed upon a housing of a heat dissipating electrical resistor for fastening to the housing to a casing in combination with a break-away element for providing access to at least one of the opposing catches. Applicant's Arguments are persuasive and therefore are incorporated into the Reason for Allowance in its entirety.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
